

Art Guild Presents Check from Banner Up Proceeds to Brentwood Library Foundation

Representatives of the Art Guild of the Delta presented a check for \$3,072 on November 13 to the Brentwood Library Foundation. The funds were 50% of the proceeds from the September 27 auction of Banner Up! banners displayed over the summer in downtown Brentwood. This is the third year of the project, which has raised a total of \$11,820. "We are extremely grateful to the Art Guild for its continued support of our work to enhance the library. Their donations support the installation of public art in the library, which will be enjoyed by visitors to the library for years to come," said foundation president Diane Alexander. Presenting the check to Alexander is Frank Littman, treasurer of the Art Guild of the Delta and co-chair of Banner Up! Others, from left are Thuy Dao Jensen, Contra Costa County Library commissioner, Art Guild members, Donna Cooper, Becky Griffin, and Mary Lamb (co-chair of Banner Up!), and members of the foundation board, William Harms, Carlos Sanabria, and Sharon Garrison.
